Dr. S. T. Cowan
National Collection of Type Cultures
Central Public Health Laboratory
Colindale Avenue,
London NW 9, England

Dear Dr. Cowan:

Thank you for your letter of July 14 on the E. coli nos.
122 and 123. I am sorry to learn of the obscurity of their origin,
but am obligated to you for your trouble and interest.

Yours sincerely,

Joshua Lederberg
Professor of Genetics
